Description

Beautiful ranch in San Bartolo with almost 700 hectares with the best views.

It has a main house with 3 bedrooms and a small cabin to receive guests, since this ranch is one of the few that has a UMA permit for hunting.

It has its own orchard with more than 100 fruit trees where you can find mangoes, palms, lemon, orange, figs among others.

Several water batteries with large storage capacity as well as its own water well, it is one of the few ranches that has a large water supply.

Come and see this wonderful property which is ready for you to create an ecotourism ranch or take your retirement to another level!
