Description

St Teresa is a VERY large lot that runs from the beach access road to the main El Cardonal to Boca Del Alamo road. It is just 7km from the growing community of El Cardonal with restaurants and stores. This area is becoming increasingly popular for people who want to enjoy the tranquility of Baja away from the thronging crowds. A slight slope will help properties to maintain their views. Octopus Beach provides the owner with a number of opportunities as follows: 1) a development parcel similar to other large lots in the area that could host a number of homes 2) large family compound 3) a retreat or hotel.
