Description

Imagine this! Watching the sun set over the Pacific Ocean from your own patio as the waves roll against the shore and the stars start to come out...and so many stars! The Milky Way passes directly overhead and there is no ambient lighting to interfere with the incredible unblock-able views. This large lot is on a low hilltop in the secure seaside community of Playas Pacificas. There are currently 10 completed homes in the neighbourhood, with another under construction and several more planned for next year. The ranch is reached from the main highway north of La Paz. Once through the ranch gate, all of nature surrounds you. Here is where the desert marches down to sandy beaches, surf break
