Description

This spacious and versatile space is located just 1km from the sea, offering privileged access to the beach and spectacular coastal views.

The natural environment that surrounds the land is typical of the region, with a mix of native vegetation and desert landscapes that blend with the blue of the ocean. The proximity to the sea not only provides a constant sea breeze, but also the possibility of enjoying relaxing walks on the beach.

The land surface is mostly flat, which facilitates the construction and development of residential or tourist projects. Furthermore, its location in Agua Blanca, an area known for its tranquility and natural beauty, guarantees a serene environment and gr
