Description

Homesite 143 is located within the Desert Estate area of Fundadores in Puerto Los Cabos. With expansive dimensions and a gentle slope, it stands among the most spacious properties in this section of the community.

The lot offers the opportunity for custom residential design, including the option to build a two-story residence. Its setting allows for courtyards, desert gardens, and open terraces that capture natural light throughout the day.

Located within one of the most established communities in Puerto Los Cabos.
