# Description

Rare commercial lot in the rapidly developing Las Lomas II on the popular Golden Five Miles. Perfect for any commercial endeavor with 3 other commercial lots available. Building restrictions apply. Just a few minutes for the upcoming town of La Ribera and minutes from the beach at Playa Colorada, these lots offer future potential for businesses which will soon be in high demand to accommodate the needs of the many new homeowners in Los Lomas II as well as other surrounding areas. These are close to the last available residential lots in this neighborhood as most have been sold to clients expected to build homes in the next few years.
