Description

Every great adventure needs a starting point, and for those dreaming of a modern, effortless life by the sea, Villa Topaz is it. As the first completed home in The Palisades—a thoughtfully designed contemporary community in the northern part of Los Barriles—Villa Topaz sets the tone for what life in Baja can truly be. This single-level, 3-bedroom, 2.5-bath home sits on a generous 1,571m² lot, offering over 3,200 sq ft of total construction and room to create your ideal outdoor space, whether that's a resort-style pool, lush garden, or Baja-style entertaining area. Inside, custom Parota wood accents and polished concrete finishes bring warmth and modern texture to every corner.
