# Description

Migriño: Where the ocean is close, and the neighbors... are not.

Tired of listings that say "ocean view" but require binoculars and a vivid imagination? Let's skip the nonsense. This is the real deal: 1-45-77 hectares (that's over 14,577 m<sup>2</sup>) of raw, private land in Migriño, Baja California Sur — just 10 minutes from Cabo San Lucas, and only 1,800 meters from the mighty Pacific Ocean.
