# Description

While standing in the middle of Lote Mirador Del Mar 2/7, the first thing you'll notice is the sweeping ocean views stretching down the coastline toward Punta Gorda. The second is the tranquility. A peacefulness broken only by the coos of native birds and the cow bells or donkeys drifting up from the arroyo.

This private corner lot sits right in front of preserved land, ensuring unmatched privacy with only one direct neighbor and protected green space so your views will never be obstructed by rooflines. Captivating panoramic views showcase both Punta Gorda's coastline and the silhouettes of the non-active volcanoes in the distance.
