Description

Exceptional corner lot opportunity in Agua Blanca!

This expansive 11,282 m² parcel is located at the corner of Camino de la Langosta and Mantarraya, just one block back from the beachfront parcels. With 100 meters of frontage and 120 meters along the side, it offers excellent design flexibility and the added benefit of no neighbors on one side. The lot is flat, providing an ideal canvas for construction.

Agua Blanca is a peaceful area only 30 minutes from Todos Santos, an emerging coastal community where multiple parcels are being sold and developed. This second-row lot offers privacy, ample space, and great potential in one of Baja's most promising up-and-coming destinations.
