Description

Cabo Vinorama Homesite 133 is 18,182 square feet of prime East Cape land that sits perched on top of a hillside inside the guarded and gated subdivision of Cabo Vinorama. This is where life is all about the beach, the sea and the surrounding untouched desert landscape. Whales breach right offshore, sea turtle hatchlings appear seemingly out of nowhere and make their journey to the sea, pelicans swoop down to catch the updraft from breaking waves. Just 10 minutes drive north of Nine Palms surf break and 50 minutes from the Los Cabos International Airport via the Palo Escopeta Road.
