Description

Where the desert meets the sea, and the sun meets the moon.

Villa Sol y Luna is a unique Baja property sitting on an 1,800 m² lot with 180° ocean views, located between two iconic surf breaks where sunsets paint the sky year-round.

Featuring three independent casitas surrounded by native gardens, the property includes an endless pool with adjustable current, a solar-heated pool, and thoughtful details like palapa roofs and custom finishes.

The main casita offers open living spaces, ocean-view terraces, and an upstairs art studio capturing every color of the setting sun. Powered by CFE and a hybrid solar system as backup, water filtration, and spacious garages, this home blends indep
