# Description

Casa Granite, situated in the beachside gated community of Cabo Bello, brings together coastal living and everyday comfort just a short stroll from the swimmable beach. The main residence features three bedrooms and three bathrooms, of which two of these bedrooms are on a separate and private side of the house sharing an ocean view terrace. A versatile outdoor 4th bedroom poolside easily converts to a spa room or staff quarters. An added bonus is the newly constructed office space with ocean views that literally sparkle from this work-from-home setting. This space can easily be converted into a 5th bedroom with stunning ocean-views or keep it as your private office.
