Description

Welcome to the ultimate Marina Sol combo: Villa Pancho A107 and Casa El Torero A103. Together they create a fully connected 7 bedroom, 7 bathroom setup that's perfect for big families, friend groups, or serious rental income. Use them as one large retreat, or split them into two separate units — the flexibility is unbeatable.

This ground-floor duo puts you right in the heart of Marina Sol. Think resort living without the resort rules: walk straight out to the oversized pool, grab a bite or a drink at the on-site restaurant and bar, pick up essentials at the mini-market, get pampered at the full-service spa, and let the kids run safely around the open green areas.
