Description

Villa de Oro 306 is a three-bedroom condo in Villas de Oro with a bright, inviting layout and the kind of indoor-outdoor flow people come to Los Cabos for. The main living area opens onto an oversized patio with fairway, ocean, and mountain views, creating a space that works for lounging or hosting year-round.

The residence is part of the gated Palmilla master community, known for its secure, well-maintained setting and consistently high desirability among both owners and visitors.
