Description

A refined retreat in harmony with the land, Casa Nube invites stillness, presence, and a deep connection to nature. Designed by acclaimed Mexican architect Héctor Barroso, this exceptional residence is located within La Huerta San Sebastián—a private enclave

of just ten architecturally significant homes in Todos Santos, Baja California Sur. Barroso's design philosophy blends architecture with emotion, memory, and habitat—where each space is shaped by light, material, and place.

CasaBaja Workgroup, creators of La Huerta, is a local team of Todos Santos residents with over six years of regional experience. Rooted in the landscapes and cultural heritage of Baja California Sur, they create
