# Description

Casa Plumeria is a beautifully designed, single-level 4-bedroom hacienda-style home located within the prestigious gated community of Caleta Loma in Palmilla. Thoughtfully upgraded while preserving its authentic Mexican charm, the home features three bedrooms in the main house and a separate casita located off the courtyard, ideal for guests or added privacy.

You enter the home through a beautifully landscaped courtyard, surrounded by colorful plumerias and bougainvillea that carry throughout the entire property. The landscaping creates a high level of privacy and gives the home a peaceful, tucked-away feel, while still enjoying ocean views framed by lush greenery.
