# Description

Mision Buena Vista Lot #5 El Camino Real with 1301.71 M2 is set along the East Cape of Los Cabos offering a lifestyle like what Cabo was decades ago—quiet, uncrowded, and naturally beautiful. This lot is ideal for buyers who appreciate Los Cabos but prefer a more peaceful alternative to the growing density of Cabo San Lucas .

Situated within the gated master-planned community this lot provides a rare advantage for East Cape properties: paved road access with underground utilities. These services significantly simplify ownership and construction in an area where many homes rely on solar systems and trucked water.

The expansive lot size allows for the construction of a spacious custom home
