Description

If you're looking for the "why I live in Cabo feeling..." this is it. First-floor end unit in Solaria, where outdoor living is the main event. Off the living room and primary suite, a beautiful patio frames iconic Arch views, perfect for slow sunrises with coffee in hand. And then, just when you think it couldn't get better... a second, expansive terrace opens to the mountains--completely private, delivering long-range sunset views (and yes, an adorable herd of friendly goats that occasionally wander by). Sunrise and sunset, both yours.

This 2-bedroom, 2-bath home with views upon views is polished and effortless. See additional comments for more details you don't want to miss.
