Description

Located in Casablanca, Cabo San Lucas, this property is ideal for those ready to take the next step: more space, greater comfort, and a smart investment in a well-established area.

With approximately 15 years of construction, this is not an old home, but a solid, well-built property from a time when spacious layouts and quality construction were a priority. You can truly feel the difference--rooms where daily life flows comfortably, with enough space to work, relax, and enjoy without feeling limited.

The price already reflects the need for some updates, such as the kitchen and certain finishes, which actually becomes a key advantage.
