Description

Mision Buena Vista Lot #12 El Camino al Triunfo with 962.57 M2 offers a buildable parcel in an area known for preserving the laid-back atmosphere Los Cabos was once known for. Buena Vista attracts buyers seeking a quieter lifestyle away from the increasing activity of Cabo San Lucas.

This lot provides ample space for a custom home while maintaining privacy and open surroundings. The community's low-density design and existing infrastructure contribute to a smooth building experience. Paved roads, direct beach access without crossing over the Hwy, and underground utilities are in place. To support new owners, the developer has some suggested architectural designs.
