Description

A 42.3-acre certified organic farm estate in the lush Santiago region, approximately 20 minutes from Costa Palmas / Four Seasons East Cape. Established by experienced Northern California growers with a long history of successful production. The property offers fertile soil, flat usable land, and significant registered water rights (details available upon request)--a rare advantage in Baja. Well-suited for a private estate, boutique agricultural project, or thoughtfully designed development near one of the region's fastest-growing luxury corridors.
