# Description

Location and surrounding quality are everything when securing a strong investment. Being directly adjacent to Costa Palmas and the renowned Four Seasons Resort Los Cabos at Costa Palmas adds lasting prestige and value.

Lots in Rancho Los Pinos rarely come to market, and this is currently the only one of 2 available. Third-row parcels allow for two levels, offering elevated, unobstructed views over the front rows--often considered even better than beachfront perspectives.

With a private water well, sewage system, and direct connection to CFE, plus surrounding luxury homes on a pristine coastline, this is a rare and compelling opportunity.

DO NOT MISTAKEN LOS PINOS FOR ANY OTHER BEAC
