Description

A striking contemporary estate set atop the coveted Colinas hillside in Querencia, this new construction residence captures sweeping views over San José Bay through dramatic floor-to-ceiling glass and expansive open living spaces. Designed for effortless luxury living and entertaining, the home features six bedrooms, dual primary suites, a game room, back kitchen, elevator access to all levels, and seamless indoor-outdoor living centered around an infinity-edge pool and panoramic terraces. Thoughtfully designed for modern efficiency with infrastructure for future solar integration and built-in hurricane shutters, this is a rare opportunity to own one of Querencia's most compelling contemporaries.
