Description

Perched high above the Pacific on the iconic cliffs of Pedregal, Casa Q is a rare opportunity to own one of Los Cabos' most spectacular view properties. This architecturally striking contemporary villa spans over 4,000 square feet across multiple levels, delivering sweeping, unobstructed panoramas of the Sea of Cortez, the Cabo San Lucas Marina, El Arco, and the Sierra de la Laguna mountains -- a living canvas that changes with every hour of the day.

From the moment you step inside, the views are inescapable. Floor-to-ceiling glass walls and expansive sliding doors dissolve the boundary between interior and exterior, flooding every room with natural light and framing the ocean like a master
