Description

Las Colinas 19 is ideally positioned within one of Querencia's most sought-after sections, offering expansive coastal views and an exceptional sense of privacy. Located just moments from the Querencia Beach Club, this homesite enjoys panoramic vistas over the crystal-blue Sea of Cortez, stretching across the San José del Cabo coastline toward Punta Gorda.

Its elevated setting and proximity to the ocean make it a truly special opportunity for those looking to build a custom home in one of the community's most desirable locations—close to the sea while remaining within the heart of Querencia.
