Description

Casa Cardenal is a contemporary residence in El Centenario, La Paz, offering a flexible layout designed for comfort, light, and everyday living. The first floor features two bedrooms and three full bathrooms, an open-concept kitchen and living area, and direct access to outdoor terraces--an appealing option for those seeking main-level living. The second floor hosts a spacious primary suite with a private balcony overlooking the desert landscape, plus additional space for a future bedroom or terrace. The ample backyard allows room for a pool, and select areas offer opportunities to personalize and add value. With a gated two-car garage and proximity to the ocean, Casa Cardenal presents both
