Description

This is one of the nicest condos you'll see on the market. Five min. away from the Marina and close to El Pedregal. The upgrades, furnishings, and artwork alone are valued at over \$100,000 USD. The built-in kitchen cabinets, custom bedroom dressers, quality furniture, artwork, accessories, dishes, and decor were all carefully selected to create a high-end luxury feel throughout the condo. A main feature is that it has a lock off, so it can be rent one part or the other. Enjoy the electric fireplace, or the beautiful soaking bathtub. A modern beach-style design with an elegant and comfortable open-concept layout. Every detail has been thoughtfully done, making it stand out from the average Cab
