Description

Set on a private cul-de-sac in Phase 3 of Cabo Pulmo, this half-acre compound sits minutes from the shores of Cabo Pulmo National Marine Park, one of the most ecologically significant marine reserves in the Americas.

The main house and guest casita together comprise 1,800 square feet of interior living space, with an additional 1,420 square feet of exterior patios and terraces. A single-car garage with attached shaded parking area accommodates a vehicle and the recently upgraded solar system, with room to spare for storage. Both houses are highly rated (4.9 stars) vacation rentals with very high occupancy rates. A trailer with a shaded patio and exterior bathroom currently serves as caret
