Description

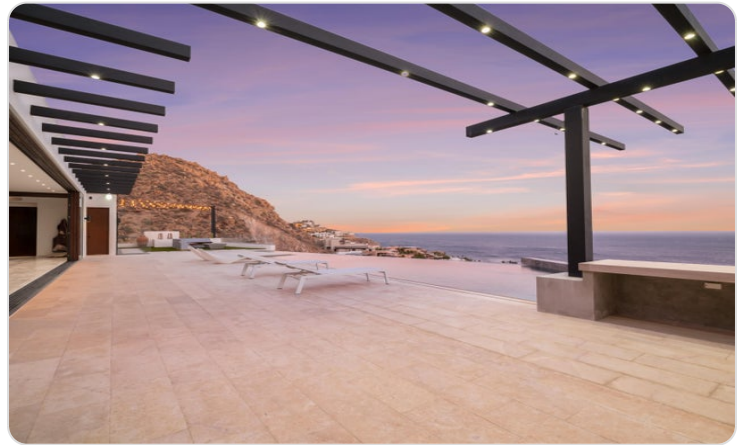

Where the Pacific Becomes Your Backyard

Some homes simply house you. This one transforms you.

Perched in the coveted enclave of Pedregal -- Cabo San Lucas's most prestigious address -- this five-bedroom, six-and-a-half-bathroom estate is not just a property. It's a declaration. A fully furnished masterpiece where every room was designed with a single purpose: to make you feel like the most important person in the world, because here, you are.

Step inside and the ocean doesn't just greet you -- it commands the room. A sweeping open-frame window turns the Sea of Cortez into living art, framed by handcrafted parota wood furniture that brings warmth, soul, and a sense of timeless Mexican craft.
