Description

The Ensenada Model Townhouse combines contemporary design, functionality, and thoughtfully planned spaces created to enjoy every moment. Its smart layout, high-quality finishes, and outdoor areas make it an excellent option for those looking to live in a high-growth area surrounded by tranquility and close to the sea.

Its contemporary two-story design maximizes every space while providing comfort, privacy, and abundant natural light.

The property features two bedrooms and a study, ideal for use as a home office, TV room, or multifunctional space according to your family's needs.

The primary bedroom is located on the ground floor, offering greater privacy and convenience. It also inc
