MLS NUMBER 26-663	

Description

Located in a quiet section of Cerritos, this property offers the perfect combination of two separate living structures, strong infrastructure, and usable space at a price point that's difficult to find in this area.

The main house stands on its own with a strong footprint and cohesive layout, offering 2 bedrooms and 2 bathrooms anchored by a comfortable central living area. This is not a collection of fragmented rooms or add-ons, but a space that actually works for day-to-day living. A fully separate casita with its own bedroom area, bathroom, and kitchenette adds flexibility and space for guests, extended family use, or adds flexibility as a rental use with everyone still having their own
