# Description

Set along the unspoiled shores of the Bay of La Paz, this exclusive, gated enclave presents a rare opportunity to secure one of only 21 estate homesites in an extraordinary coastal setting. Generously sized lots—select parcels offering up to 10,000 square feet of coveted waterfront—are thoughtfully positioned to capture panoramic views of the Sea of Cortez, the city lights of La Paz, and the surrounding islands.

With its intimate scale, exceptional privacy, and truly breathtaking vistas, this is a legacy offering in El Centenario—an opportunity to create a custom estate in a setting that is both timeless and impossible to duplicate.
