# Description

Perched along the pristine Bay of La Paz, this private, guarded community offers a once-in-a-lifetime opportunity to own an estate unlike anything else in the region. Featuring just 21 expansive homesites—some spanning up to 10,000 square feet of rare waterfront—each estate is designed to capture sweeping views of the city, the Sea of Cortez, and the surrounding islands. With unmatched privacy, scale, and vistas, this is a place that simply will never be replicated in La Paz.
