Description

Prime Malecón-front / highway-front development opportunity in the highly strategic Lomas de Palmira / La Paz-Pichilingue Scenic Highway (Km 2.5) corridor, adjacent to the waterfront hotel and marina zone, with direct connectivity to central La Paz.

Lots 27-41 are offered exclusively as a single bundle, designed for investors and developers seeking commercial and mixed-use potential along one of La Paz's key growth corridors. With high-visibility frontage and access, this assemblage is ideal for projects that benefit from exposure--such as retail, services, offices, hospitality-support uses, or a planned mixed commercial/residential concept (subject to zoning and approvals).
